Board Report

October 2023

Social Emotional Learning

We have focused some of our professional development of Social Emotional Learning to start the year. We are working with our students so that all of their needs are met in order for them to focus on their own learning. Part of the PD was on helping students to express their feelings and emotions. We tied this in to our writing development by having students begin journaling 2 times a week in the K-2 classroom. Through these efforts we hope to teach the students the vocabulary to express their feelings fully and accurately, and to increase writing opportunities in a way that allows them to express their own thoughts and ideas.

Parent Meeting:

We held our first Parent Teacher Committee meeting of the year on September 13, 2023. We discussed events and field trips that we would like to have, and fundraising ideas for them. Parents also brought up some concerns they had regarding community access to the school, and student activities. Through the meeting we were able to recruit a parent who is willing to coach volleyball and both boys and girls basketball this year.

Attendance
September 1-29, 2023

Total enrollment: 25

K 99.02%
1st 88.88%
3rd 87.64%
4th 91.01%
5th 100%
6th 92.58%

Total: 91.89%
