PURPOSE OR MISSION STATEMENT OF ORGANIZATION: HVHS Volleyball is an extra-curricular offering at Hidden Valley High School. We strive to teach our student athletes how to be successful on and off the court. We teach hard work, dedication, respect, courage, honesty, integrity, and how to compete at a high level. Our athletes leave our program with the necessary tools to be successful at anything they set their mind to.

TITLE OF PROJECT: Volleyball Standards and Net System.

TOTAL PROJECT COST: \$ 5000-6000 AMOUNT REQUESTED: \$1500.  
PROJECT BUDGET:

Resources HV Volleyball fund, HV athletic fund, 3 Rivers VC fund. Expenditures

ANTICIPATED DATE OF COMPLETION OF PROJECT: Summer 2014

DESCRIBE THE PROJECT AND ITS BENEFIT TO THE COMMUNITY, AND IN PARTICULAR, TO CHILDREN: In our gym we are still using the original Volleyball stands from when HVHS opened in 1977. They are bent and broken in several places and we they are not adjustable. With new standards we would be able to adjust the nets to so that younger kids could learn on youth level and boys could play at the official men's net height. We use our volleyball net system year round in our PE classes, HVHS volleyball teams, 3 Rivers volleyball club, and adult open gym. In all the nets service Hundreds of children and adults each year. A new net system could last 20+ years before it needs replaced and would serve thousands of student/athletes.
