Any employee absent more than five (5) consecutive working days must present such certification. If certification is required for an absence of fewer than six (6) days, the Cooperative will designate the physician and pay his/her fee. Charges for certification of absences days greater than five (5) consecutive working days will be the responsibility of the Cooperative unless the employee requires examination by a specified physician, in which instance the employee will assume the cost of the examination.

Section 7. Child Care/Adoption Leave

An employee making application for unpaid child care/adoption leave shall inform the Executive Director in writing of his/her intention to take the leave at least two calendar months before commencement of the intended leave, except in unusual circumstances. The Executive Director and the employee will attempt to work out a satisfactory plan for the leave.

Sick leave under Section 2 is available for any period of disability associated with the pregnancy prior to the commencement of the child care/adoption leave.

The availability of a suitable replacement may also be considered by the Cooperative in both the granting of a child care/adoption leave or the duration of such leave.

In making a determination concerning the commencement and duration of a child care/adoption leave, the School Board shall not, unless otherwise agreed, be required to:

- grant any leave more than six (6) months in length or at the beginning of the school year following such six (6) month period.

An employee who returns from child care/adoption leave within the provisions of this Section shall retain all previous experience credit and any unused leave time accumulated under the provisions of this document at the commencement of the leave. The employee shall accrue additional experience credit or leave time during the period of absence for child care/adoption leave only if the leave commences and ends within the same fiscal year.
