Re: Food Service – 2011-2012

We would like to discuss the Food Service program for 2011-12 at the next Finance Committee meeting on July 18, 2011.

We are currently in the process of reviewing a collaborative agreement with another school district and we would like to share the information we currently have available as we consider our options moving forward this summer.

Please let me know if there are any questions.
