

Montana Comprehensive Literacy Project (MCLP) & Title I Comprehensive Support Fall Meeting October 7-8, 2019 in Helena at the Delta by Marriott Hotel

The Office of Public Instruction is excited to offer all MCLP and Title I Comprehensive schools access to register School Leadership Teams (SLTs) for the required fall meeting.

At a minimum, each SLT should consist of a building principal, the district onsite instructional coach (if the school has a coach), and two classroom teachers. Your Instructional Consultant and OPI contact will be facilitating the high-quality professional development and the work of SLTs throughout the two-day meeting.
