SPECIAL FOOD SERVICE PROGRAMS

High School students seem to be enjoying the new condiment station we were able to get with a \$4,600. grant. We also purchased a new cashiers podium, tray and utensil cart, condiment bottles, salad bar and condiment bar inserts with the same grant. Condiment station is set up with different sandwich fixings so students can put what they like on their sandwich. Concessions also uses it for a small salad bar. We also received a grant to purchase a new dishwasher for the high school for just under \$10,000.

TRAINING OPPORTUNITIES

I have sent in my paperwork to become level 3 certified and am studying for the SNS exam in February. I'm not sure I will be ready to take it at that time.

OTHER

We had our annual Health Inspections. Both went great. The inspector could not find anything out of compliance and thanked us for running such a wonderful program.
