**District Strategies (Check all that apply):**

- Students and staff will thrive in a secure environment, build connections and community, and become resilient leaders.
- Each student will engage in world-class learning experiences that foster curiosity, develop talents, guide exploration, and fuel achievement.
- We will cultivate innovation through strategic collaboration and responsive organizational stewardship.

**Subject:**

Discussion of Districtwide School Safety Audits Required in Executive Session

**Background:**

State law requires school districts to conduct School Safety Audits at all district campuses on a 3-year cycle. The audits assist the department and the district in identifying school safety concerns and areas for improved protocols for school safety. The three-part audits include surveys with campus staff and students, intruder detection audits, and building assessments. Specific details of the Safety Audit report were discussed in executive session.
