RE: E-Rate 23 Request to approve RFP 200029622

I have submitted a 470 to request for bids on Wi-fi access points licenses through the E-Rate program.

Bids were opened and tabulated on April 22, 2020 and results along with contracts will be presented during the Board meeting on May 12, 2020.

The E-Rate Year 23 Application funds Wi-fi access points licenses at a discount of 85%.

E-Rate requires the Board approval and confirmation that 15% (Wi-fi access points licenses) matching funds will be available for the requests.

Contracts are subject to Board approval and will be null and void in the event that Eagle Pass ISD is not funded and/or is not Board approved.

Board recommendation evaluation criteria are attached for your review.

If you have any questions feel free to contact me.
