# TIF Plans - Generally

---

- Documents set forth policy objectives for the project
- Identifies the geographic location of the project
- Provides **maximum budget** authority for TIF revenues and expenditures **planning document** that allows for creation of a TIF district
- **DOES NOT:** Identify an amount of or grant any assistance to the developer – TIF Agreement does this

# TIF Plan for Riverchase II

---

- Established as an Economic Development Tax Increment Financing District (**Workforce Housing**)
- Qualifies by meeting location, market vacancy, and local employer support requirements
  - ✓ Also requires **County and School District approval**
- TIF can pay for certain eligible project costs
- 9-year maximum duration

# TIF Plan for Riverchase II

---

- Anticipates Pay-as-You-Go payments to the developer
  - ✓ From TIF only - no other repayment required from the City, County or School
- Includes a 10% allowance for City admin. costs
- Base value taxes continue to be paid to all jurisdictions
- Project would not occur **But-For** the TIF assistance

# County and School Board Requested Action

---

Pass resolution supporting the TIF District for Riverchase II

# Schedule

---

- February 17: School Board and County consider approval of TIF district
- March 24: City Council holds public hearing to consider TIF plan and TIF Assistance Agreement
- By June 30: TIF Plan Certified
- Summer 2026: Planned construction commencement
