This event was sponsored by TEAPIE, Tomahawk Community Bank, Packaging Corporation of America, River Valley Bank, Louisiana Pacific, WJJQ, and the Waters of Minocqua and held at the Buedigen Center on the PCA Campus. Students worked in teams to develop a concept and build a business model around it. They presented their Business model to the group who then voted on which ones they thought were the best. The students learned a variety of entrepreneur skills in the areas of marketing, budgeting and product development. It was a great opportunity for our students and we thank all the sponsors.
