

CENTENNIAL SCHOOL DISTRICT
18135 SE Brooklyn Street
Portland, OR 97236
(503) 760-7990

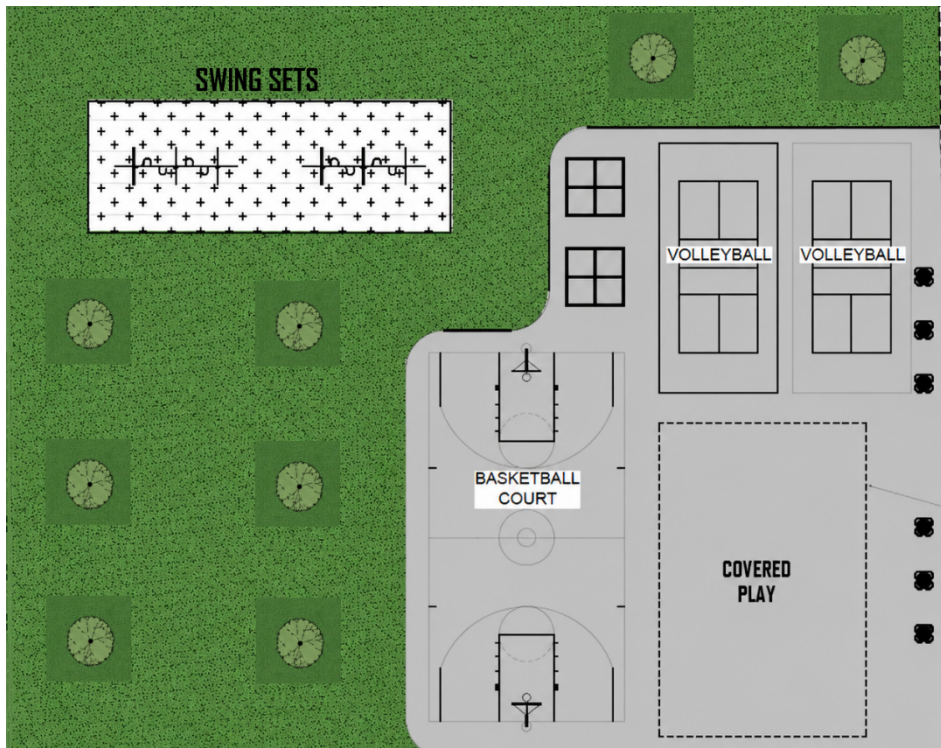

CONFIRMATION

TO: Board of Directors
FROM: Paul Southerton, Director of Business & Operations
DATE: May 13, 2026
SUBJECT: Consider Approval of Centennial Middle School Outdoor Enrichment and Play Project

Background:

Through a comprehensive facilities survey the District has identified project opportunities to improve facilities to better support student learning and enrichment activities.

A project for the Centennial Middle School outdoor enrichment and play area adjacent to the gymnasiums has been planned for this summer. Students currently are limited to a parking lot, track, or grassy area for recess and outdoor activities with limited opportunities for structure play, community, or shaded quiet spaces.

Request:

The District has worked with design consultants, architects, student focus groups, and others to make improvements that support the needs and interests of CMS students. Improvements include dedicated structured play, social, and quiet areas, as well as a covered area for when we have rain or inclement weather.

The cost of the project, including equipment and construction is expected to be no more than \$750,000 and funding is included in the 2026-2027 budget (capital funds section).

It is recommended that the Board of Directors of the Centennial School District approves the **Centennial Middle School Outdoor Enrichment and Play Project** for a cost not to exceed the \$750,000 and grant the Superintendent, Director of Business & Operations, and their designee(s) the authority necessary to sign contracts and agreements to complete the project.
