

## Personnel Resignations and Recommendations

*For Thursday, July 21, 2022*

### **Background:**

Under Iowa Code 279.12, the school board has the authority to employ teachers, other licensed professional personnel, and support personnel, and determine their salaries. I am requesting board approval for the personnel issues listed below. I recommend the Board . . .

- Appoint Roger Duvall as Junior High Baseball Coach. A large number (22) of boys participated. I recommend his salary reflect his previous experience and years of service.
- Appoint John Andrews as Junior High Baseball Coach. A large number (22) of boys participated. I recommend his salary reflect his previous experience and years of service.

### **Recommended Action:**

I recommend the board approve these personnel issues in a single motion.
