I would like to again thank you for the opportunity to work during my semesters. May 17<sup>th</sup> is my last school day for the spring semester and I am requesting that I be allowed to work during the summer. As of right now, I am not sure yet if I will be taking a summer course, so I will be available to work Monday through Friday.

I can be reached at (708) 769-1442 if you have any questions or concerns.

I greatly appreciate your assistance.
