MEETING DATE: June 19, 2023

AGENDA ITEM: Consider Approval of Purchase of School Bus Order with 2023 Bond Funds

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000.00 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- As discussed with you during the May 15, 2023 board meeting, \$4,500,000.00 was included in the 2023 Bond Program for the purchase of school buses.
- Based on current replacement needs and potential additional bus routes due to continued student growth, we are proposing the following purchases:
 - Two (2) regular, 77-passenger buses (diesel)
 - Six (6) regular, 77-passenger buses (gas)
 - Three (3) special needs, 18-passenger buses with lifts (gas)
 - Three (3) special needs, 14-passenger buses without lifts (gas)
- To ensure the best pricing and value, the District utilized the TASB BuyBoard cooperative purchasing method to obtain the proposals on the following pages from Longhorn Bus Sales, LLC and Rush Truck Centers/Rush Bus Centers.
- The projected delivery date of the two (2) diesel buses is within 30 days, while the delivery date for the remaining buses is 120 days to 180 days after receipt of the order.

FISCAL INFORMATION:

The purchase cost of buses in the amount of \$1,836,864.00 will be paid with 2023 Bond Program funds.

ATTACHMENTS:
