Dear Board Members,

On behalf of all the families, staff and volunteers at Nehalem Elementary School, I am sending you all a big "Thank you!" for your generous donation of \$500.00. It is the individuals and foundations that help to keep our Resource Center open and able to serve our families in need.

Our Backpack Program has grown this year. We are serving 60 children every Friday with easy to prepare lunches and breakfasts. Your donations also help purchase items of clothing, hygiene products, clothes and other items families are in need of.

Your foundation's support and generosity to the NES Family Resource Center and all of the other organizations you support make our community a truly special place to call home.

I apologize for how late I am in sending my thanks! This school year has been so busy it seems like I hardly have time to sit at my computer. Please know I appreciate you all and the hard work you do for so many.

I hope you and your families enjoy a wonderful holiday!

Warm Regards,

Heaven Hartford
