Subject: **Quarterly Finance Report**

---

MISD Board of Trustees: January 20<sup>th</sup>, 2026

Agenda Item – 7A

## **Background Information**

The investment schedules are attached.

The Cash and Cash Equivalent Investment Balances schedule reflects the current interest rates and total balances of the District's various investments for the quarter ending December 31, 2025. Administration's goal is to keep balances in accounts with the highest rates.

The attached schedule shows total checking and investment balances at South State Bank of \$5.6 million and at Lone Star Investment Pool of \$58.2 million with a 4.03% rate of interest.

## **Fiscal implications**

Total investment income for the FY 2025 2<sup>nd</sup> quarter appears consistent with the current year budget. Investments are liquid and secured by collateral, primarily in the form of letters of credit.

## **Administration Recommendation**

None – information only
