

BOARD POLICY

EB

BUSINESS MANAGEMENT BUILDINGS AND GROUNDS

JUNE 20, 1988

It shall be the responsibility of the superintendent or ~~the superintendent's~~ designee to oversee the maintenance of ~~school~~ District owned buildings and grounds. Upon request, ~~the superintendent or the superintendent's~~ designee shall provide the Board of Education with ~~adequate records information~~ as to the general condition of the District's buildings and grounds, ~~buildings, heat, light and plumbing equipment, as well as the condition of the instructional and other equipment.~~ Inventories of ~~this~~ equipment should be maintained to protect the ~~School~~ District against losses from fire, theft, or any other causes.
