Memorandum Item 9d

FOR: School Board Members
FROM: Chris Reitan
DATE: November 21, 2023
SUBJECT: Indian Policies and Procedures Approval

Each Fall the district is required to review and update the Indian Policies and Procedures Document. This is a required element of our Impact Aid application. Our process typically involves the document being presented and discussed at the Indigenous Education Committee meeting for their approval, being presented to the Board at a regular meeting for their consideration, and once both of those groups have signed off on the plan document, it is forwarded to the Craig Tribal Association for their approval.

The same process will continue to be used this year. On October 26, 2023, the document was reviewed, discussed, and approved by the Indigenous Education Committee.

Suggested Motion: Move to approve the Indian Policies and Procedures document as presented.
