**3. Approval of Financial Report**

Chris Marcy has provided a memo and last month's financials for your approval.

**4. Approval of JCA Soundboard Purchase**

The JCA auditorium is in need of a new sound board. The current board has been in place since the building opened and was discontinued after one year. Because it is no

longer supported, we have been dealing with ongoing reliability issues and are essentially limping along to keep it working.

With many performances and events scheduled for the rest of the school year, there is a real concern that the current sound board may fail. Brian Bennink has identified a few temporary solutions to help us get by.

Brian has researched replacement sound boards, focusing on durability, manufacturer support, ease of use for students, and the ability to meet our current needs while supporting expansion.

Three quotes were requested, two were received and I am recommending Pro Audio in the amount of \$40,613.83. Pro Audio was slightly higher than the second quote, however is the preferred vendor for this purchase.

**Discussion Items:**

- 1. Bus Disposal**
- 2. Superintendent's Update**

**Adjournment:**

**Closed Session: Attorney Client Privilege**
