Re: Superintendent's Board Report

Start of the School Year

- I am pleased to report that we are off to a great start to the school year. We have so many dedicated and caring staff members and they have done a wonderful job in working with our students, parents and their colleagues in helping us start so well.

Ten Year Facilities Plan

- Idaho Code requires all Idaho school districts to submit a ten year facilities plan to the Division of Building Safety. Our plan is due to the Division by January. Our work with Design West over the next couple of months will help inform our plan and what we ultimately submit in January.
