Background Information

Because of the decision to convert student days to non-student days on December 20, 21, and 22, most bus routes are not needed on those days. The School District does not have the authority under the current contract with First Student to pay First Student for those days.

Approval of the recommended memorandum of understanding (MOU) will lead to payment to First Student for 85% of route payments and ensure that 50+ employees who work for the local First Student are paid wages for work completed on those days.

Recommendation

I move to approved the attached MOU with First Student.
