Good morning.

Just looping back around for the request for therapy funding. We, the Community Mission Center, would love to help out. We would like to allocate a set amount of money to go to the district for use at the discretion of yourself, and other selected staff on your end. Is there an amount that needs to be approved by the school board prior to us donating? I remember last year we donated \$1,500 per school to help purchase needed school supplies and it needed school board approval.

Let me know how we should proceed.

Thank you!

Good afternoon,

Thank you so much for circling back to this! This time of the school year can be a bit hectic, so I hadn't had a chance to return your call. Yes, we would love to accept your donation to assist with the cost of therapy sessions for those that may not be able to afford them. One student in particular is in need due to the recent loss of her father.

Yes, we would have to have board approval to proceed. Do you mind if I do that during our April meeting? It is scheduled for the 28th.

Oh, wow! Thank you so much! I will add it to our April agenda. Will you be issuing a check to the district?
