

Three Rivers School District

8550 New Hope Rd • PO Box 160 • Murphy, OR 97533

Policy: JHCCB
Adopted: 10/16/06

STUDENTS – HIV, AIDS

~~This policy applies to students five years of age or younger, special risk HIV students as well as all students with AIDS.~~

~~“Special risk” students as used in this policy and as defined by Oregon Health Services means students who lack control of their body secretions or who display behaviors such as biting, spitting or scratching and/or who have uncoverable, oozing lesions.~~

~~The district will adhere strictly in policies and procedures to the Oregon Revised Statutes and the Oregon Administrative Rules as they relate to a student infected with HIV or AIDS¹.~~

~~A parent of a student with HIV or AIDS must notify the District Superintendent for continued educational services.~~

~~If the parent or student does not notify the school district, Oregon Health Services or local health department will issue an order to exclude the student from school, or the parent may voluntarily withdraw from school. In either case, the district must notify the student and parent of alternative education programs.~~

~~If the district is informed, written guidelines shall be requested of the parent. These guidelines shall include who may have the student information, who will give the information, how the information will be given and where and when the information will be given.~~

~~After Oregon Health Services or local health department evaluates the student’s risk to others, including any restrictions which may be required, this condition will be reported by the parents to the district.~~

~~When informed and with written permission from the parent, the district will develop procedures for formulating an evaluation team. The team shall address the nature, duration and severity of risk as well as any modification of activities. Monitoring of the student’s condition shall be included.~~

¹HIV – Human Immunodeficiency Virus; HBV – Hepatitis B Virus
