

Action Sheet

MEETING DATE:

May 22, 2024

AGENDA ITEM:

Discuss and consider approval to purchase year 2 of a 3-year agreement with Instructure for the Canvas Learning Management System, using IMTA funding for an amount not to exceed \$64,000.

The Canvas Learning Management System is used in Galveston ISD by Pre-K-12 teachers, students, and staff. Canvas is an easy-to-use cloud-based learning management system that connects all the digital tools and resources teachers use into one simple place. It integrates seamlessly with hundreds of apps, empowering teachers and students with countless tools to make teaching and learning easily accessible. The district would like to renew its contract to purchase Canvas from Instructure, as the LMS system best meets the needs of the district's teachers, students and parents. The first-year cost to the district was **\$60,736** followed by this year's cost of **\$63,802**, and then **\$66,941** for year three. After the first year, the cost of the Canvas LMS software is scheduled to be funded through IMTA.

Instructure and the Canvas LMS are part of the Region IV Omnia Purchasing Cooperative and is in compliance with IMTA and state procurement procedures. Region IV Omnia Contract # R201402.

RECOMMENDATION:

I move the Board of Trustees approve the year 2 purchase of a 3-year agreement with Instructure for the Canvas Learning Management System, using IMTA funding for an amount not to exceed \$64,000.
