

BMS BOARD REPORT

December/January

Student Attendance

7th grade: 83.62%, 135 total

8th grade: 79.70%, 117 total

Whole School: 81.80%, 252 total

Totals are for January only. We are working with family court to schedule court hearings for students. We are working with district office to get students back into the building. We have had 12 new students enroll/re-enroll in the month of January

Staff Attendance

Certified Staff: 79% (Dec./Jan. combined)

Classified Staff: 84% (Dec./Jan. combined)

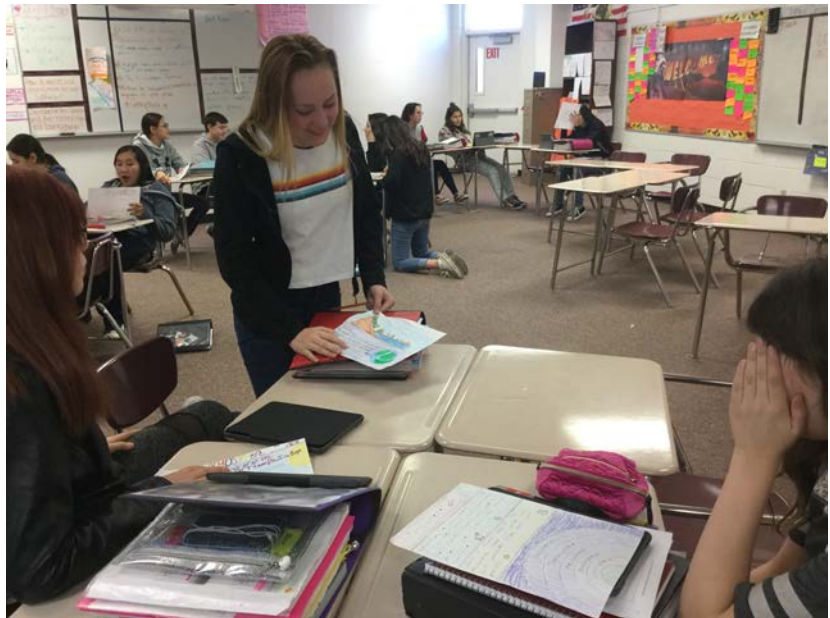

We are working with staff to improve staff attendance that does not include health and/or family related causes. We are all working as hard as we can on being here every day but also ensuring that we are working very hard when we are here.

Home Visits

Home Visits: 26

Court Referrals: 23

Boxes of food delivered: 63

BMS Update

Oki, BMS enjoyed very exciting and extremely busy months of December and January. We participated in the food pantry and the staff put on their own clothes/toy drive to help the students and their families during the Christmas Holiday. Our students and teachers also started, and are continuing to work on, community service projects using the Apple Challenge Based Learning curriculum. These two months of school were spent on building positive relationships with our community and focusing our BMS learning environment on fully implementing our iPad technology. Our Sookapi Students rewards program has seen the

2nd Quarter academic stats

The following is our academic & behavior data for the 2nd quarter.

- 5 referrals for month of December for 5 students; 7 referrals for month of January for 7 students
- 14 students with 4.0 GPA; 76 students with 3.0 GPA
- 154 students with 2.0 GPA; 14 students with no behavior logs; 100 students eligible for Fun Friday Extravaganza with 92 making the trip
- 100% students tested for ISIP to meet grant expectation

BMS has made the commitment to creating funding for our BMS Positive Behavior Rewards program. We have cut costs with our copy center budget, administrator travel, unused subscriptions, and use of the drug dog. We have also made changes to a digital yearbook as opposed to a paper copy, fully implemented iPad apps to cut down on the use of paper and justify every penny that is spent in order to give that savings back to our students.

number of students with No F's in any classes go from 60% to 72%, our goal is 80% of our students reaching this goal. Our goal for the 3rd quarter is to work closely with parents/guardians by fully implementing our BMS Parent/Guardian Preferred Contact method. The parents/guardians select their preferred contact method and our teachers have set the goal of contacting one parent per class every week. We are also working on a tiered system for parent contact with Tier 3 students receiving one contact every 2 weeks, Tier 2 every 3 weeks and Tier 1 once a month. The BMS SLT is taking the lead on this program along with our MCLP Action Plan. Our number one goal remains to get students to experience success in their academics and behavior and develop the pride that comes with being a Sookapi Student. Our students are either working on maintaining their Sookapi status or working together positively with the staff everyday to achieve that goal. We rewarded our students by having a Fun Friday Extravaganza where the students with a 2.0 GPA and no step 3 behavior logs or multiple step 1/2 logs got to go to Cut Bank for pizza and a movie then finish up the day at Mark Lane's for bowling. We also gave out \$25 gift cards for 4.0 and perfect attendance students, \$10 gift cards for excellent attendance and \$5 gift cards for students with 3.0 GPA and higher. We are increasing our academic expectations for the 3rd quarter to a 3.0 GPA and are keeping the same behavioral expectations. We also continue with our monthly in building Fun Friday activities.
