

Board Member School Assignments

Policy Issue/Situation

Board Members serve as the focal point for community questions for an assigned set of schools. With new schools under construction, the Board must consider these school assignments. In addition, the School Board is interested in assigning the two charter schools - Arco Iris Spanish Immersion and Hope Chinese and some previously unassigned option programs.

Background Information

Per policies BBB and BBBA, Board Members are elected at-large and must satisfy the required residency requirements. Zones must be divided so as to be nearly equal in population according to the most recent census. At the September 26 Board Meeting, Board Members discussed possible realignment of their zones. Board Zones were last redistributed in 2001. The Board agreed to wait to change the Board Zones until after the 2020 Census. They did however want to assign new schools, charter schools and some option programs to Board Members.

At the October 24, 2016 Board meeting they reviewed a draft school assignment chart with the two charter schools, the new high school and some options programs and comprehensive high school shifts. During the November 14, 2016 Board meeting, Board Members received two draft school assignment charts - one version with the two charter schools, the new high school and some options programs and comprehensive high school shifts, and a second version with additional school assignment shifts. The Board wanted another reading in December to finalize the assignments.

RECOMMENDATION

It is recommended that the Board finalize the school assignments.

***District Goal:** WE Empower all students to achieve post-high school success.*

The Beaverton School District recognizes the diversity and worth of all individuals and groups. It is the policy of the Beaverton School District that there will be no discrimination or harassment of individuals or groups based on race, color, religion, gender, sexual orientation, gender identity, gender expression, national origin, marital status, age, veterans' status, genetic information or disability in any educational programs, activities or employment.
