Keller High diver medals in Junior Olympics: Chelsea Johnson recently competed in the National Junior Olympics Diving Championships, placing third in the nation in the 3-meter event. Her third-place ranking qualifies her to represent the USA in the World Championship Meet this October in Brazil. She also will represent the USA in international competitions during the entire 2004-05 diving season as a member of the Speedo/U.S. Diving Team USA. She also will be earning points toward the Olympic trials in three years. There are only four divers ages 16-18 on this international team in the 3-meter event. Chelsea is a junior at Keller High School.

Parkview PTA receives top state honors for membership drive The Parkview Elementary PTA was awarded the Nelda Duke Outstanding Membership Campaign Award for the state of Texas. The award was presented during a state seminar in July in Austin. The award is given to the PTA that is doing the best job of encouraging and supporting members with programs and activities. Parkview's PTA was honored for its "Survivor Parkview PTA" theme, through which PTA membership increased from 196 to 658 during the 2003-04 school year. Such strong membership also has brought parent involvement to record levels. So far this year, the PTA has nearly 500 members. The goal is 100-percent participation, which is about 620 members.
