Campus Staff Training Provided

School Crossing Guard Training –
Hodge Elementary Staff

Tabletop Disaster – Guyer High School

Drug Recognition and Trends – Ryan
High School

De-escalation Training – Davis School
(Jan '22)

Student Resource Officer Appreciation

Denton ISD is served by officers from:

- Denton County Sheriff's Office

- Denton Police Department

- Denton County Water District Police Department

- Little Elm Police Department

- Oak Point Department of Public Safety

Whether just hanging out or working to keep them safe, we **love** being with kids.

Our officers
participate in
the festivities and are at
times blessed with
confetti eggs during
celebrations like DHS
Purple Out.

Or they are
involved,
gearing up
repeatedly to
support their
kids and
perform at the
pep rallies!

Sometimes just seeing
each other in the hall
makes us both smile
because we know we
both **belong.**

The most rewarding times are when officers **help** the less fortunate at events like Shop with a Cop.

We also enjoy helping staff a shoe drive for those in need because we love sharing opportunities with them in learning the power of giving back.

Or in just
working to
clean things up!

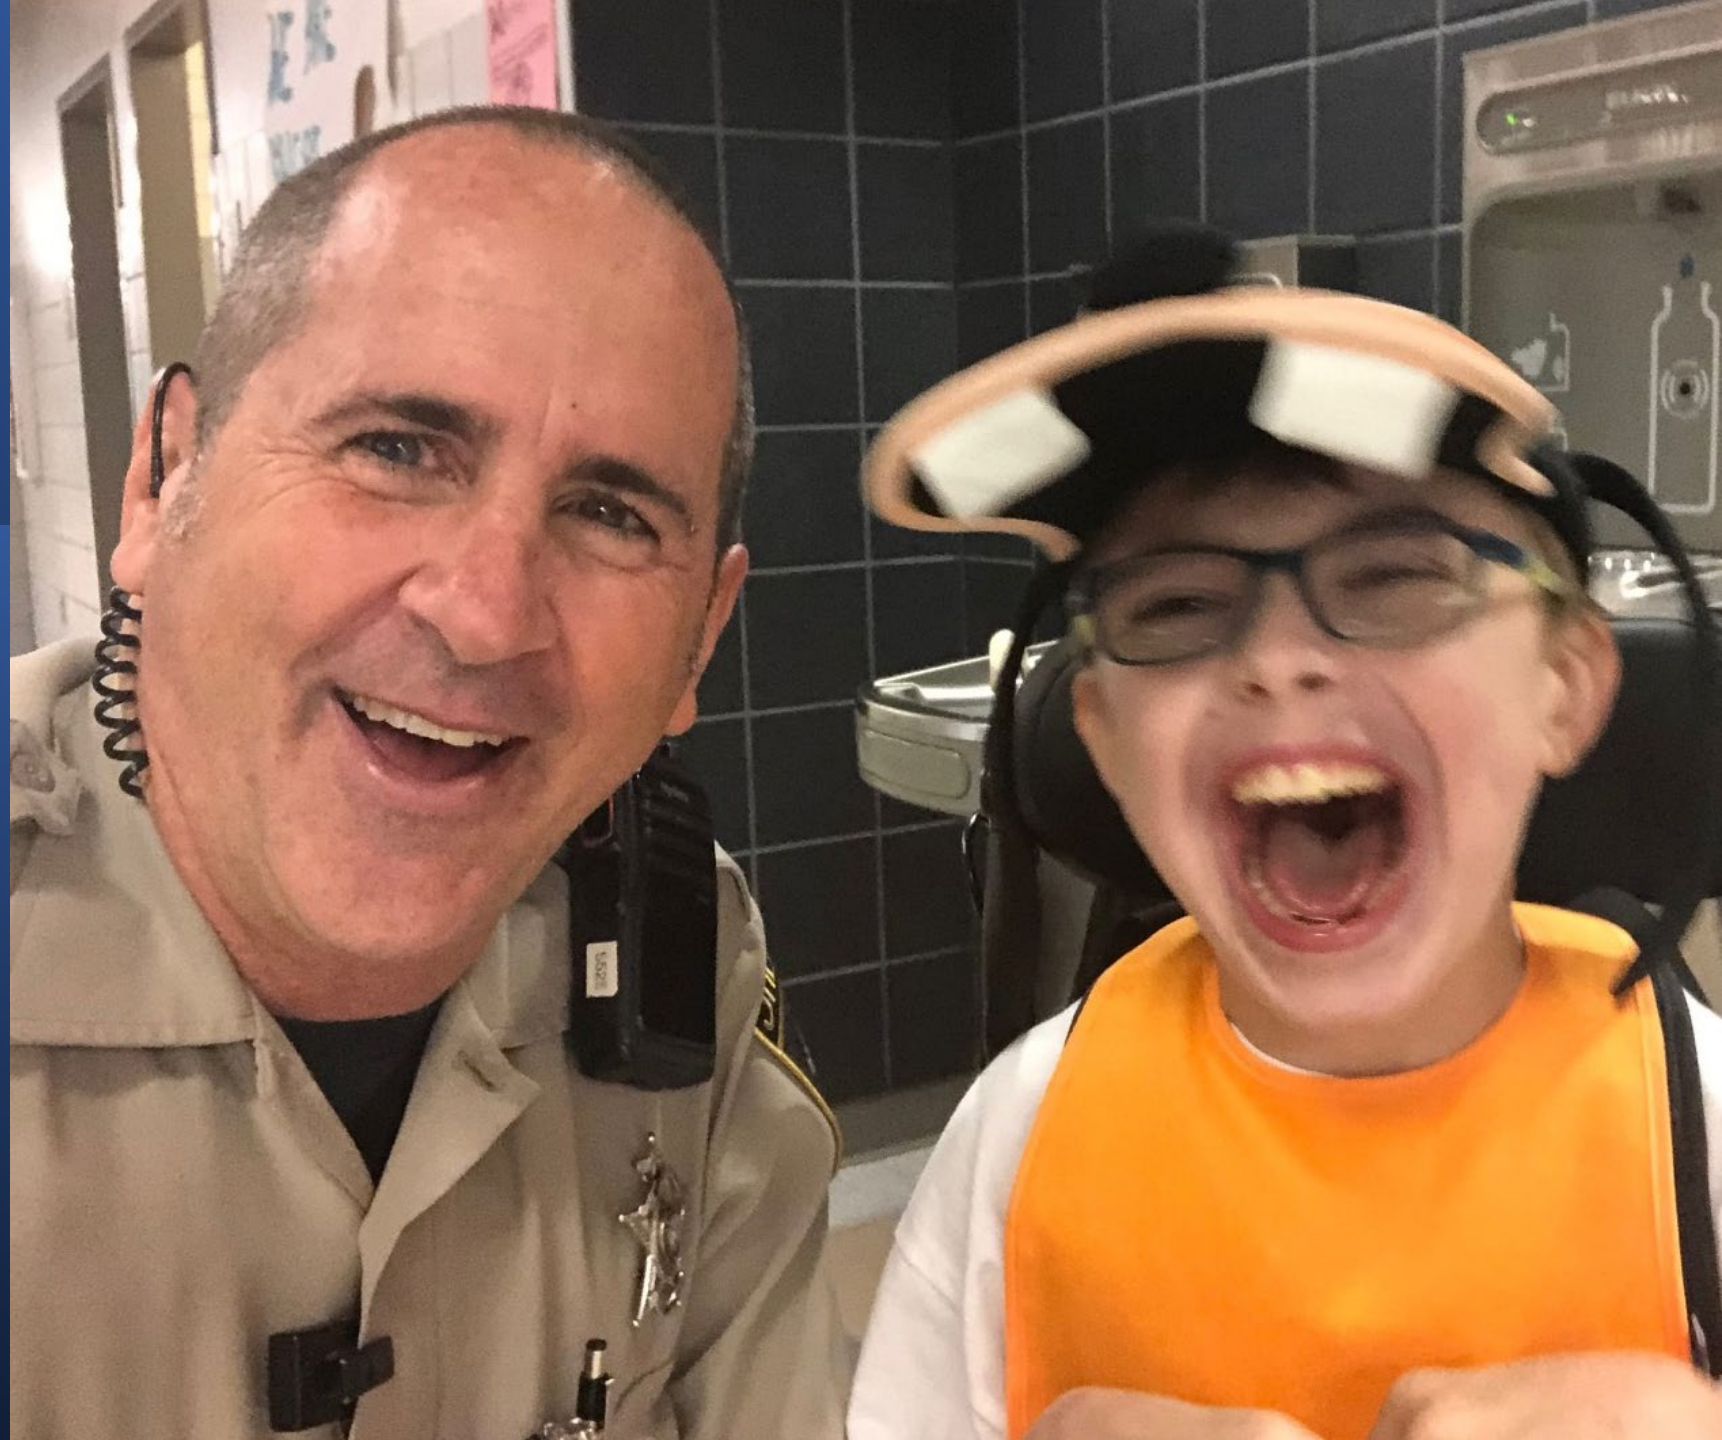

SRO's know being
out with kids can
warm the
coldest mornings.

Although sometimes
we haven't seen
them since middle
school, seeing them
graduate is a
celebration we
adore.

Because in the end
we are all blessed
and know that
enjoying the kids
is the best part of the
job!

As we end this slideshow, the SROs want to say *thank you* to the DISD Board of Trustees and Administration for allowing us to be where we can have the most impact on our community, by being in the schools.
