Re: High School Principal Report February, 2018

January has flown by for the High School. This is a very busy time for the high school with winter sports coming to an end, senior nights being celebrated, the annual crab feed, and several other club and organization events coming up. The staff continues to work toward overall growth in our students' MAP scores as well as preparing our students for the upcoming ACT and SAT assessments.

10 th Grade	Male-43	Female-43
11 th Grade	Male-48	Female-51
12 th Grade	Male-36	Female-50
Total	Male-175	Female-189

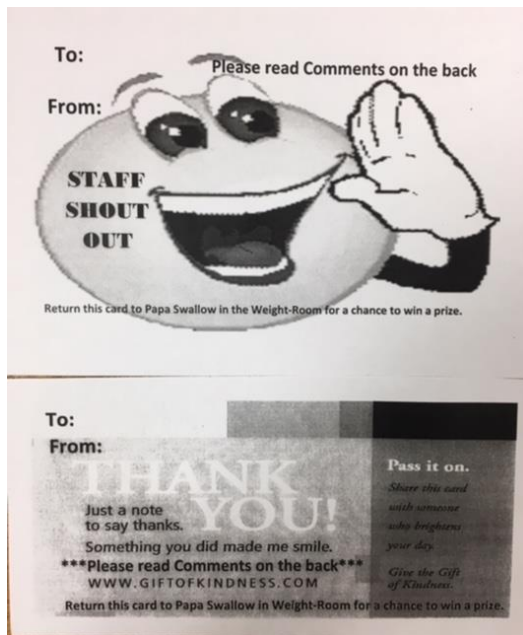

Student Body Total = 364

January Events (In Review)

January 2nd- Start of 3rd Qtr. and 2nd Semester
January 12th- ACT Registration Deadline
January 15th- No School Martin Luther King Day

January 19th- Friday- District Wide PD In-service/ IPBN Training at BSU

The number one goal of IPBN is to increase Idaho's student achievement through creating an integrated system of sustainable support at the school level to meet every student's needs. The Network also strives to continue to offer Schoolwide Positive Behavioral Interventions and Supports (SWPBIS) training to increase student engagement in academics, to improve student behavior, and to enhance school culture and climate. This training was an exciting experience for our staff and we are excited to have it here at the High School! One of the ideas that came from the conference was the Student and Staff shout out cards. Mr. Swallow has already implemented this idea to help boost culture and overall moral at the school! Attended by HS team members- Christine Ketterling, Brady Swallow, Alex Willson, Randy Lyons, Stacy Holton, Matt Holtry.

January 24th-25th- Danielson Training Provided by the State Department of Education

Attended by Mr. Sauer and Mr. Holtry. This workshop was the follow up to the Introduction to the Framework for Teaching, Idaho's Instructional Model. This workshop provided an understanding of the structure, architecture, and vocabulary of the Framework for Teaching. Participants developed awareness and application of the different levels of performance and the rubrics that guide instructional improvement.
