

I recommend that the school board conduct a workshop. The topics to be discussed are:

- A. Examine the viability of providing school district support for unfunded school activities (girls lacrosse, dance, marching band, robotics, hockey)
- B. Share information from January 2016 MSBA Leadership Conference.

A poll completed by the school board members did not identify a date when all school board members are available. Five board members can attend on April 25 or April 27 (below). The board can choose a date in April or conduct another poll for dates in May.
