

**MID VALLEY SPECIAL EDUCATION COOPERATIVE
FREEDOM OF INFORMATION REQUESTS**

**REPORT TO THE EXECUTIVE ADVISORY BOARD
November 7, 2012**

Mid Valley has responded to one (1) on-going Freedom of Information Act Request. We responded to Patti Lopuszanski's narrowed request as follows:

2. "FOIA request item three - please note I received a copy of my personnel file in the fall of 2011 prior to a grievance being filed by MVSEA union reps and Jackie Robbins on my behalf. It is my request to have e-mails amongst the following: Carla Cumblad, Susan Caddy, IEA/NEA and MVSEA union representatives, coordinators, Executive Advisory Board, Sandy Richmond and Karin Alber that relate to my grievance, the change in status of my job from union to confidential as presented to me on May 11, 2012, investigation of FOIA request made outside of the workplace, written reprimands, insubordination allegations, and all communication as it relates to witnesses and their names noted during my grievance and evaluation that substantiates the claims that Carla Cumblad wrote and based my termination off of. This should reduce this request substantially. Please feel free to contact me for further clarification."

On November 1, 2012, Mid Valley responded in writing and provided copies of responsive records. A copy of the formal response is attached.
