Attendance: November= 94.12; December=80.75%; January= 84.66%

Strategic Plan Goal & Pedagogy Implementation:

Family & Community Collaboration

Goal 1: Prioritize and implement intentional and purposeful partnerships.

Celebration of the New Gym: Show video

Dec. 2nd, the North Slope Borough and the Village of Kaktovik hosted a huge celebration to welcome the new gym to the community. The night was filled with dancing, dedication speeches, amazing food, and music by Mark Brown.

Not long after that, our students held their own ribbon-cutting ceremony, officially opening the gym for school use.

Students and staff worked together to establish expectations using our Community School Expectation Agreement and our Positive Behavior Intervention & Supports, known as **RAMS**.

RAMS stands for:

R — Respect self and others
A — Accept responsibility
M — Model kindness
S — Strive for success

Students helped shape the gym expectations, and here's what they came up with:

- Use appropriate voice levels
- Follow directions the first time
- Respect equipment, space, and classmates
- Report unsafe behavior or broken equipment
- Ask for help when needed
- Keep food and drinks in designated areas
- Encourage others using positive and respectful language
- Share — and in Inupiaq, “**Kiiq**” — **give it all you've got**

Students, staff, and the community have a schoolwide goal of reaching 1000 laps around the new track. As of 2-6-26, we are at **628**. Night Rec. is alive and well attended. We have at least 2 adults in the gym for school-aged times.

Focus: Reliability with the key card system. We experienced a few typical “new car” start-up glitches. These are being addressed promptly and effectively by our outstanding Plant Manager, Randy Linderbaum.

Other:

Continued Parent Communication via email, phone calls, and Facebook updates.

Culturally Responsive Instruction

Goal 2: All students perform at or above grade level

Secondary students reviewed their NWEA maps data at the beginning of this semester and set academic goals for the semester. Teachers continue to review intervention data.

Student interventions examples: Amplify, Lexia, and CORE training for all teachers.

I have completed two classroom walk-throughs for each teacher, and they are implementing the core curriculum with fidelity while using strong instructional strategies that promote critical thinking, questioning, cultural relevance, and a safe learning environment.

See attached Reading School Profile. This shows that students are moving from Way below basic towards proficiency. This movement is seen in both elementary and secondary.

All Grades **Growth** Median and Distribution

Achievement Fall 2025-2026 Median and Distribution

Achievement Winter 2025-2026 Median and Distribution

Battle of the Books:

All students performed well, with our 5th and 6th winning their division. They will compete at the State competition. Thank you to Coach Joan Cuevas for your dedication.

Students who competed:

1st Helena Gordon Noralee Kaleak Dexter Lim Malcolm Bessette	2nd Elfreda Gordon Daniel Leyco Kiarra Kulukhon Harley Gordon	3rd and 4th Herman Rexford Leah Galagher Ariadne Lampe Vincent Rexford	5th and 6th- Regional Champions Maria Solomon Khloe Gordon Jimmy Soplu
--	---	--	--

Student Social & Emotional Wellbeing

Goal 5: Facilitate & maintain culturally, emotionally, & physically safe learning environments
Wayfinder is being delivered through weekly elementary classroom times and through the Tumitchiat Sivunmun 7th Period.

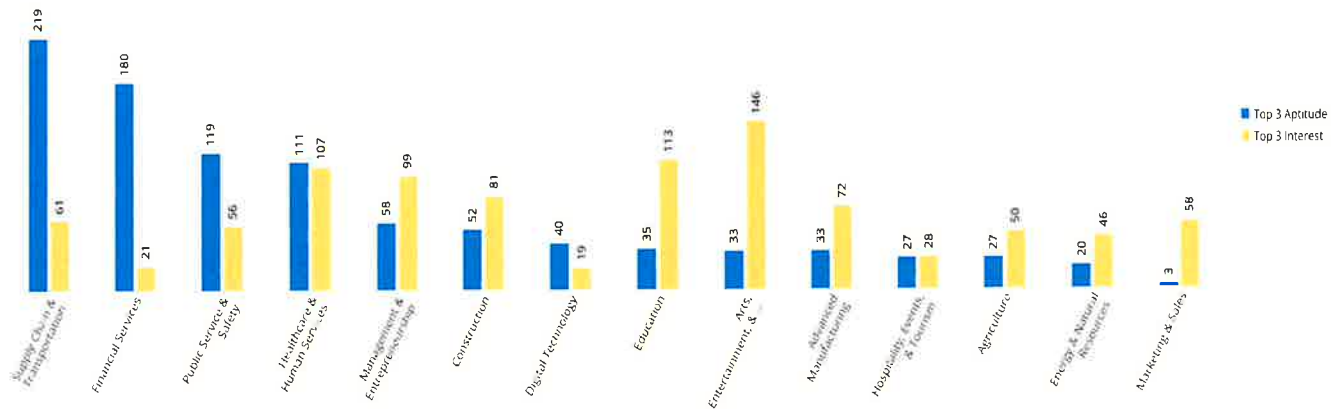

Top skill Empathy 3.8	Most Improved Collaboration 3.6	Room for Growth Collaboration 3.6
------------------------------------	--	--

Tier Support

You Science: Aptitude Versus Interest

Celebrated National Counselor's Week by

- Acknowledging and interviewing our counselor for the radio show about Tumitchiat Sivunmun
- Presented a collaborative book in which students contributed a page on *The Most Important Thing About Chervita Campbell*.

Staff Support & Professional Development

Goal 6: Build and sustain a thriving workforce aligned with the mission of this District

CORE Training

PLC-Examining data and interventions.

RTI/MTSS conference

Financial & Operational Stewardship

Financial Stewardship: Investing in Students

Our focus on financial stewardship is making sure every dollar supports both student activities and academics. Right now, we are carefully spending our funds to get us to the end of the year while also beginning to budget for next year by reviewing all programs and activities.

For student activities, we're excited about the Regionals and Prom investment from the district, and we're grateful to the City of Kaktovik for also donating funds to support the event. These investments help create positive, meaningful experiences for our students.

On the academic side, School Improvement funds were used to send two teachers to the RTI/MTSS conference. That training focuses on supporting students with behavioral challenges through a structured RTI process and connecting them to more strength-based interventions.

As we plan, we're reviewing spending intentionally so our resources continue to align with student success and positive outcomes.

Upcoming events:

TBA-State Battle of the Books

February-Wellness Bingo Card through the North Slope Prevention Crew

Feb. 16th-a few secondary students to QLC

Feb. 26-28-IA Regional Basketball Tournament

Feb. 28-Prom
