

Board Report May 2018:

Ei Program Updates: The link gives highlights of the EI program as well as improvements and changes that have been implemented this year.

Spring Mixer was held April 20th

Special Olympics- Students from the MoCI classrooms and Young Adult Program participated in the Civitan Special Olympic games at Siena Heights University on May 11th.

Completion Ceremony-will be held on May 30th at Hillsdale High School beginning at 7:00 pm. We have 9 students who are completing this school year.

Greenfield School:

Aces Day: On May 9th Greenfield held their annual Aces Day. Aces Day is ride your bike to school day to promote physical fitness. Greenfield and students from Hillary Raymond's class participated in various physical fitness activities and games throughout the day. Volunteers from Camden-Frontier High School and Brian Stroble's 5th grade students from Jonesville came to assist.

Inspirational Rock Planting Ceremony: On May 17th Greenfield held their annual Inspirational Rock Planting Ceremony. Students and staff at Greenfield creatively paint rocks each school year that are placed along sidewalks, entryways, gardens, and other various places on the Greenfield campus. These rocks provide long-lasting memories of present and previous staff and students.

Early Childhood Special Education 0-3: Our team is collaborating with CAA and Great Start Collaborative to organize summer playgroup opportunities for families.

Preschool Inclusion: We are wrapping up our first year of full inclusion for Hillsdale County. Our preschool inclusion teachers have done a great job collaborating with general education preschool programs around the county. Transition IEP's are taking place for students entering Kindergarten this fall and we have already started planning for services this fall.

Updated Speech Assessments Most of the speech assessment materials are out of date. The link shows the cost to update all kits.

General Supervision Grant: This is the "new" state grant attached to the IDEA funds. It will be combining the EOSD Monitor Grant and the Transition Coordinator grant plus 10%. The ISD has chosen SPP indicator Suspension/Expulsion to focus our General Supervision work the next several years.
