**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

I am taking students from Fleming Middle School to the East Coast (Boston, Philadelphia, New York and Washington D.C.) on an educational trip for eight days and seven nights. We have requested June 21- 29, 2025. EF will let me know the exact dates 75 days prior to our trip. The students know this information. Students have been fundraising for over a year and a half. We have one more fundraiser yet to complete. After that, it will be the parents responsibility to pay off. All parents have been paying on a monthly payment plan. When fundraising happens, it lowers their monthly payment.

**Provide history/background information on your proposal:**

This is a trip through EF Explore America that leaders from Fleming have attended for 20+ years. This will be my 6th trip with this company.
