PRESENTED BY: Chris Lambert, Catalina Foothills High School Principal and Sheryl Castro, Executive Director of Curriculum & Assessment

Presented for the governing board's approval are the proposed high school club fees, athletic fees, and course fees for selected Fine Arts, Career and Technical Education (CTE) courses, and optional extracurricular performing arts fees for grades 4-12, for the 2025-2026 school year.

The performing arts fees for students in grades 4-12 are optional extracurricular fees. Students in grades K-8 can only be charged a fee for an extracurricular activity/event that is defined as an optional, noncredit, educational, or recreational activity that supplements the education program of the school or district whether offered before, during, or after school hours, or when school is not in session. The fees must be approved by the governing board.
