BACKGROUND INFORMATION:

On August 23, 2018, Dr. Rick Alvarado led a Tier 2 board-superintendent workshop focused on goal-setting. Based on feedback from the workshop, the superintendent was asked to create new goals aligned to the strategic plan.

In addition, the DEIC (District Education Improvement Committee) met on September 6, 2018, to discuss goals included in the district and campus improvement plans.

The attached proposed goals represent the feedback from the meetings mentioned above.
