

PACE Informal Observation Questions

Staff Name _____ Date _____ PACE Statewide Homeschool

Some of these questions will require you to reflect on the elements of the domains found in the observation tools.

- *Identify one success you've had since the beginning of this school year.*
- *What opportunities for growth have you experienced so far this year?*
- *If you could have one tool to help you achieve your goal, right now, what would it be and why?*
- *What challenges, either planned or unplanned, have you encountered when supporting families through the SLP process?*
- *What challenges, either planned or unplanned, have you encountered when supporting families through the quarter grade process?*
- *What is your current course of action for maintaining monthly contacts? Which methods are working and which aren't as successful?*
- *Describe an area of your professional responsibilities that you struggle with.*
