

## Site Report – Levelock – March, 2021

**To: Superintendent Ty Mase  
and LPSSD School Board Members**

**From: Joe Ward/Principal**

### **Outstanding Activities and Events**

Ms. Callander led students from both classes to make tie-dye t-shirts. Students were able to make their shirts unique. The students and Ms. Callander wore their t-shirts the next Monday to celebrate the approach of spring.

Ms. Callander served as coach for our Mix-3 team with Mr. Ward as an assistant. Our team had 2 members, but got help in practice from younger students wanting to work on their skills.

The kicksleds purchased by the Levelock Student Government arrived and were distributed to students on 3/24/21. Students are using the kicksleds to get to school, around the village and for exercise.

### **Personnel**

Melissa Ward has returned from sick leave. She is taking over preschool with the loss of our preschool aide working with elementary students in the afternoon.

### **Technology Progress**

Levelock has received its new technology.

### **LSAC Activity**

The Levelock LSAC met over the phone to discuss the FY22 calendar.

### **Pupil Attendance**

We had one student transfer to another school in our district and another student transferred to Levelock from another school in Lake and Peninsula School District. This makes our enrollment 2 Pre-K students and 10 K-12 students. While most students maintain good attendance when they are in the village, several families have taken week long trips leading to a number of absences.

(1st row L-R) Caden Washington 1st, Meadow Neketa 1st, Kyleigh Moses PreK, Kale Neketa PreK, Kiahna Andrew 2nd  
(2nd row L-R) Nick Apokedak 5th, Ida Apokedak 4th, Avery Myers 2nd  
(3rd row L-R) Maddy Apokedak 7th, Nyssa Tallekpalek 11th, Logan Apokedak 6th, John Tallekpalek, Ms. Callander

Members of the student government worked to assemble all of the kicksleds that were purchased. Here John (8th) and Nyssa (11th) Tallekpalek team up to attach runners to a kicksled.

Maddy Apokedak (7th) joyously demonstrates her mechanical skills attaching the seat to this kicksled.

Caught in the Act! - L-R Maddy Apokedak (7th), Piper Neketa (5th), and Ida Apokedak (4th), hit the road with their new kicksleds. Piper and Ida are pushing their younger siblings.

5th grader, Nick Apokedak uses his kicksled to get to school.
