Dacy Garcia

6th Grade: 155

7th Grade: 144

8th Grade: 139

Attendance: 96.29%

VETERANS DAY

HJHS honored Veterans on November 11th with a community program held in the gym. HJHS students took pride in decorating the gym with a large flag and making posters and cards for the Veterans. Students began by gathering in the auditorium and welcoming fellow students family members to speak about what it means to be a Veteran. HJHS students then followed many Veterans and family members for the hallway parade to the gym to attend the community program. We are so proud of our students for showing so much respect to all guest speakers, performances, and Veterans.

Reading Rascals

Hillsboro Elementary School teachers choose a new student each month as their Reading Rascal. The Reading Rascals read to different community members each month. For the month of November, they read to a group of 8th graders at the JHJS campus. During the reading field trip, each Reading Rascal read to as many reading buddies as they could. This repetition reinforces their skills and gives the young students more confidence in their ability to read. We are so proud of our students at HJHS. They took time out of their busy day to welcome the Reading Rascals. These students praised and encouraged them as they read. This was not only a great experience for the elementary students but for our students as well. Building great leaders at HJHS!

Health & Nutrition

At a time when concern over poor health and wellness is high, HJHS Health and Nutrition classes are getting help to change the status quo. This elective course provides students with an overview of good nutrition principles that are necessary for physical and mental wellness and a long, healthy life. Students spend time researching healthy recipes and creating these delicious treats for the staff to taste test. All students are excited to share their creations such as many different fruit smoothies, salsa, fruit kabobs, and many different appetizers.

A Honor Roll

Hard work pays off! Students who received all A's were awarded a trip to A Tisket A Tasket one Friday afternoon. The wonderful owner treated our A Honor Roll students to a free scoop of ice cream. He even arranged for the Hillsboro Police and EMT to come and speak with our students while they enjoyed their ice cream. This will be a treat for each six weeks and if a student maintained all A's for the whole semester they will receive a banana split. We are so grateful and appreciative of our wonder community supporters.
