Insufficient Fund Checks and Debt Recovery

The Executive Director or designee is responsible for collecting up to the maximum fee authorized by State law for returned checks written to the Cooperative that are not honored upon presentation to the respective bank or other depository institution for any reason. The Executive Director is authorized to contact the Cooperative's attorney whenever necessary to collect the returned check amount, fee, collection costs and expenses, and interest.

Comment [AP1]: This language was modified to allow more flexibility for the superintendent to charge less than the maximum fee for an insufficient funds check. Boards choosing to allow this flexibility should discuss equal protection issues with the board attorney.
OPTION 1: Boards that wish to charge the maximum fee in all circumstances should delete the words "up to" in the first sentence.

Delinquent Debt Recovery

The Executive Director is authorized to seek collection of delinquent debt owed the District. ~~The Executive Director or designee shall execute to the requirements fullest extent of the law.~~

~~To participate in any the Local Debt Recovery Program through the Illinois Office of the Comptroller (IOC), an intergovernmental agreement (IGA) between the Cooperative and the Illinois Office of the Comptroller (Comptroller) that has the purpose of debt recovery. The intergovernmental agreement IOC must be in existence. The IGA establishes the terms under which the Cooperative may request, and refer delinquent debt owed it over to the Comptroller will IOC for an offset (deduction). The IOC may execute an offset of the amount of the delinquent debt owed to the Cooperative from a future payment that the State makes to an individual or entity responsible for paying the delinquent debt.~~

Comment [AP2]: For Boards that are interested in entering the Illinois Office of the Comptroller's Local Debt Recovery Program, this section was updated to clarify what districts need to do to enter the program. Adopting these materials will not enroll a District or ensure entry into the IOC's Local Debt Recovery Program. Contact your school board attorney for legal advice about possible entry into the Program. If the District has any interest in entering this program, this language should remain in this policy.
OPTION 2: Other methods to collect delinquent debts owed to the school district exist, i.e., small claims court, private collection agencies, etc. If the District has decided not to enter the IOC's Local Debt Recovery Program, everything but the first sentence under the Delinquent Debt Recovery subhead should be deleted.
