Re: Board Policy Changes – DNA (Local) and DNB (Local)

As a result of the transition to the new appraisal system for teachers and administrations {Texas Teacher Evaluation and Support Systems (T-TESS) and Texas Principal Evaluation and Support Systems (T-PESS)}, the following Board Policy changes are requested:

DNA (Local) Performance Appraisal – Evaluation of Teachers
DNB (Local) Performance Appraisal – Evaluation of other Professional Employees

These changes were recommended by TASB services.

Recommendation: That the Coppell ISD Board of Trustees approve the updates to Board Policy DNA and DNB Local as presented at the October 24, 2016, Board meeting.
