

BOARD OF EDUCATION POLICY

Code: 440	Title: STUDENT RIGHTS AND RESPONSIBILITIES	Adopted: 1/1991	Last Revised: 7/10/2018
----------------------------	---	----------------------------------	--

The Board directs the administration to develop Student Handbooks at each building level. These are designed to deal with student rights, responsibilities, and expectations.

The Student Handbooks are to be considered and approved by the Board of Education annually. The handbooks are not meant to be a complete account of rights, responsibilities, and expectations. The Board understands that administration will use discretion in the handbooks' implementation.
