

MEMORANDUM

TO: Centennial School Board and Dr. Jeff Holmberg, Superintendent
FROM: Patrick Chaffey, Executive Director of Business Services
DATE: September 22, 2025
RE: Long-Term Facilities Maintenance Plan

Recommendation

For the Board to approve the Long-Term Facilities Maintenance Plan as presented and to authorize school district administration to prepare and submit to MDE the FY 2027 LTFM Plan along with applicable supporting information as it relates to projects funded with regular LTFM revenue, above the line revenue.

Background

The School Board must annually update the Long-term Facilities Maintenance (LTFM) plan and indicate its intention to levy the LTFM funds. This was completed in June 2025, but due to legislative changes we need to update the revenue and expenditure plan submitted. In consultation with MDE, attached is the updated ten-year revenue projection and expenditure plan. This plan levies the maximum for the LTFM funding so we can maximize our state aid.
