Audits

Note: A.S. 14.14.050 requires an audit by October 1 of each year. The School Board is not required to provide for an audit if an audit is conducted pursuant to A.S. 29.35.110.

The School Board shall provide for an annual audit of all district accounts by an independent public accountant who has no personal interest in district fiscal affairs. The audit shall be conducted in accordance with the requirements of federal and state regulations.

Note: Pursuant to A.S. 14.17.505, if the state department's review of the district's audit finds that the district's unreserved portion of its school operating fund year-end balance exceeds 10% of its expenditures for that year, the amount greater than 10% is deducted from state foundation aid for the current year.
