Fax (940) 365-2627

City of Aubrey
107 South Main Street
Aubrey, Texas 76227

To City of Aubrey,

On behalf of the Aubrey Independent School District, we would like to recommend for your consideration a resolution to prohibit the sale, delivery, and/or possession of synthetic cannabinoids or salvia divinorum, also known as "K-2", to individuals below the age of twenty-one (21) within the City of Aubrey, Krugerville, and Crossroads.

Restricted smoking materials subject to this regulation are substances known as synthetic cannabinoids or salvia divinorum which may be presented under a variety of street names or marketed as products such as "K-2", "K-2 Summit", "K-2 Sex", "Genie", "Dascents", "Zohai", "Sage", "Spice", "KO Knockout 2", "Spice Gold", "Spice Diamond", "Yucatan Fire", "Solar Flare", "Pep Spice", and "Fire N' Ice".

The Aubrey Independent School District is concerned about the presence of this new and potentially dangerous substance affecting the public health, safety and welfare of the citizens, particularly the youth of the Cities of Aubrey, Krugerville, and Crossroads. This product is sold locally in retail shops as a mixture of dried vegetation, or as incense, that when covered or mixed with certain specific chemicals, produces the physiological effects of a controlled substance similar to marijuana.

According to the National Drug Intelligence Center of the US Department of Justice (EWS Report 000006), the use of such substances can cause hallucinations, vomiting, agitation, panic attacks, tachycardia, elevated blood pressure, pallor, numbness and tingling, disorientation, loss of time awareness and, in some cases, tremors and seizures.

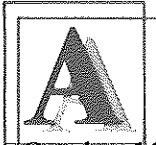

Because people under the age of twenty-one (21) lack the life experience and maturity to make informed judgments about whether the use or possession of such substances will negatively impact their ability to function in a safe and appropriate manner, the Aubrey Independent School District recommends that a resolution is needed to restrict the sale, delivery, or possession of this dangerous substance.

Thank you for your consideration. Please do not hesitate to contact Superintendent, Dr. James A. Monaco at (940)668-0064.

Sincerely,

The Board of Trustees
Aubrey Independent School District
