2845	ANNUAL CONTRACT FOR INNOVATIVE INTERFACES LIBRARY SYSTEM Innovative Interfaces, Inc. Emeryville, CA	\$45,000.00 (not to exceed)

TO: The Board of Trustees

FROM: District President H. Neil Matkin

DATE: August 25, 2015

SUBJECT: Recommendation for Renewal of Reference 2845 - Annual Contract for Innovative Interfaces Library System.

SCOPE: Fourth renewal of the five (5) year contract for hosted library services. The initial term of contract was for five (5) years with an option to renew annually thereafter with Board approval. Term of contract: 09/01/2015 through 08/31/2016.

RECOMMENDATION: Innovative Interfaces, Inc. \$45,000.00
Emeryville, CA (not to exceed)

JUSTIFICATION: Innovative Interfaces (formerly Polaris Integrated Library System) is a cloud based integrated system that allows Collin's libraries to manage over 266,572 books, audio books, music cd's, software items and DVD titles, as well as 46,183 electronic books for use by our students, faculty and staff. All materials held by our libraries are searchable worldwide and all registered students, faculty and staff can also use this interface to enter and manage their own accounts. Users can place items on hold, create and manage reading lists and see when items are due. Upgrades have and will continue to make accessing library resources over mobile devices easier. Polaris is a tried and true system and when an issue arises Innovative Interfaces will address and resolve the issues within 24 hours.
