**DISCUSSION ITEM:**

Implementation of a Pilot Program to Provide Electronic Course Materials to Students Upon Registration and Authorizing the District President to Negotiate and Execute a Contract Amendment with Barnes & Noble to Authorize the Program

**DISCUSSION:**

In partnership with Barnes and Noble, Collin College is proposing a pilot program wherein students can purchase electronic course materials at a reduced cost to ensure access on their first day of class. The current contract with Barnes & Noble extends through June 30, 2026 and does not provide for the First day Program in the authorized services.
