

Personnel Resignations and Recommendations

For Thursday, October 17, 2024

Background:

Under Iowa Code 279.12, the school board has the authority to employ teachers, other licensed professional personnel, and support personnel, and determine their salaries. I am requesting board approval for the personnel issues listed below. I recommend the Board . . .

- Assign Jodi Braun as a special education teacher in Jacobson Elementary.
- Assign Kaitlin Boelman-Allen as choreographer for show choir.
- Assign Scott Meyer as a 25 hours per week custodial employee.
- Assign Ene Duran as Elementary student council sponsor.

Recommended Action:

I recommend the board approve these personnel issues in a single motion.
