Re: Summer Projects - 2013

We would like to discuss the 2013 summer projects at the next Building and Site committee meeting on November 5, 2012.

I have attached a list of proposed projects for next summer. We have discussed most of these items at recent Building and Site committee meetings.

I have also attached a summary for Stevenson High School Phase II that we would like to continue discussion on Monday night.

Please let me know if you have any questions.
