Vision

Our vision is to ensure academic success for ALL through a collective and relentless pursuit of excellence.

Mission

The mission of Madrona Elementary, where children are treasured, is to foster a love of learning in an innovative, cooperative, nurturing climate which empowers all students to be competent, productive, caring and responsible citizens.

Family Art Night

Thursday, June 2nd, 6-7pm

Bring your family and friends to see our student art exhibits and for fun art activities.

All ages are invited to this free event!

MADRONA ELEMENTARY

If you can help with Family Art Night and/or Field Day, please call the office at 541-476-6624 to sign up.

Positive Behavior Support

This month, we are focusing on **Common Sense**.

All students with no more than 1 bus citation or office referral during the 4th quarter will be eligible to attend **Field Day** on Wednesday, June 15th! We will also have a BBQ family lunch. Keep a look out for the sign up sheet if you can join us.

We love having our family and friends visit our school. Please remember to sign in at the front office before entering the campus (gym, cafeteria, library, recess yard, classroom) and receive a visitor's badge between the hours of 7:00 am and 2:00 pm

Did you know that children can lose up to three months of academic progress over the summer? Over 100 years of research continually shows this trend. Here are ten things you can do to help your child avoid the summer slide.

1. **Read** EVERY day! Read non-fiction, fiction, ebooks, poetry, newspapers and read out loud! For most children, twenty minutes is an appropriate amount of time to read for a child who is an independent reader.
2. **Cook** with your children. This is one of the best ways to integrate math, reading and following directions. Let your child design the menu too! Help your child put together their favorite recipes in a cookbook.
3. **Plant** a garden. Your child will gain responsibility and pride as they watch their plants grow and thrive.
4. Take a **field trip** to a museum, zoo or local park with walking trails. Keep a journal about your travels.
5. Learn a **new word** each week! Hang it on the fridge and see who can use it the most times throughout the week.
6. Play quick games with flashcards like Math War or Concentration to keep math skills sharp.
7. Listen to Audio Books. They have a great selection at the library.
8. Take pictures and make a summer scrapbook.

****Did I mention READ?!** If your child does nothing else this summer make sure he/she is reading!

P.T.S.G.

Join our last Parent Involvement group on June 8th at 2:10 to help us plan our Fall Festival for next school year. Our goal is to make this a fun and memorable event for the whole community. All are welcome!
